What things would make your classroom a better place for you?

I can't think of anything,

Is there anything you always have a need for or can never have too much of?

food surprises, words of affirmation, an extra adult

Is there anything you prefer not to receive, or that you have too much of?

fragrances, candles, lotions, mugs

Do you have any allergies (food, plants, scents, etc)?

Is there anything you would like us to know about you?

I am thankful!
